# Global Water-Sports Equipment Solutions Specialist

# DIVE SWIM PRODUCT CO.,LTD.

**We specialize in the R&D, manufacturing, and sales of water and outdoor sports products,  
offering comprehensive OEM and ODM services.**

# About us

Dive Swim Product Co., Ltd., founded in the heart of the Pearl River Delta manufacturing hub, specializes in R&D innovation and precision manufacturing of water and outdoor sports equipment. We provide global clients with integrated OEM/ODM solutions from product development to mass production and delivery.

# To bring China's intelligently manufactured water sports equipment to the world

**An integrated industrial enterprise covering R&D, production, sales, and service.**

**OEM/ODM**  
One-Stop Solutions

**618m<sup>2</sup>**  
Dedicated Office Space

**15,000m<sup>2</sup>**  
Modern Production Base

**20+ Core Technology Patents**

# Digital-Intelligent Management System

# Creating an Integrated Data Ecosystem from R&D to Sales

Our in-house OA platform ensures 100% process visibility and 15% faster response times

# A professional R&D team ,Design experience for leading global brands

Including but not limited to renowned brands  
such as C\*\*\*\*\*, M\*\*\*, S\*\*\*\*\*, T\*\*\*, among others.

## Professional

A professional  
design team

A extensive portfolio  
of proven successes

## Innovation

Breaking from  
convention  
to define  
product excellence.

## Productive

Rapid Response

End-to-End  
Transparent  
Management

## Commitment

We safeguard  
your confidentiality  
and deliver  
with trust

Innovative thinking to create differentiated products

# Professional Design, End-to-End Execution

Flexible Supply Chain: **Supporting the entire process from concept development to mass production.**

**Concept**

**R&D**

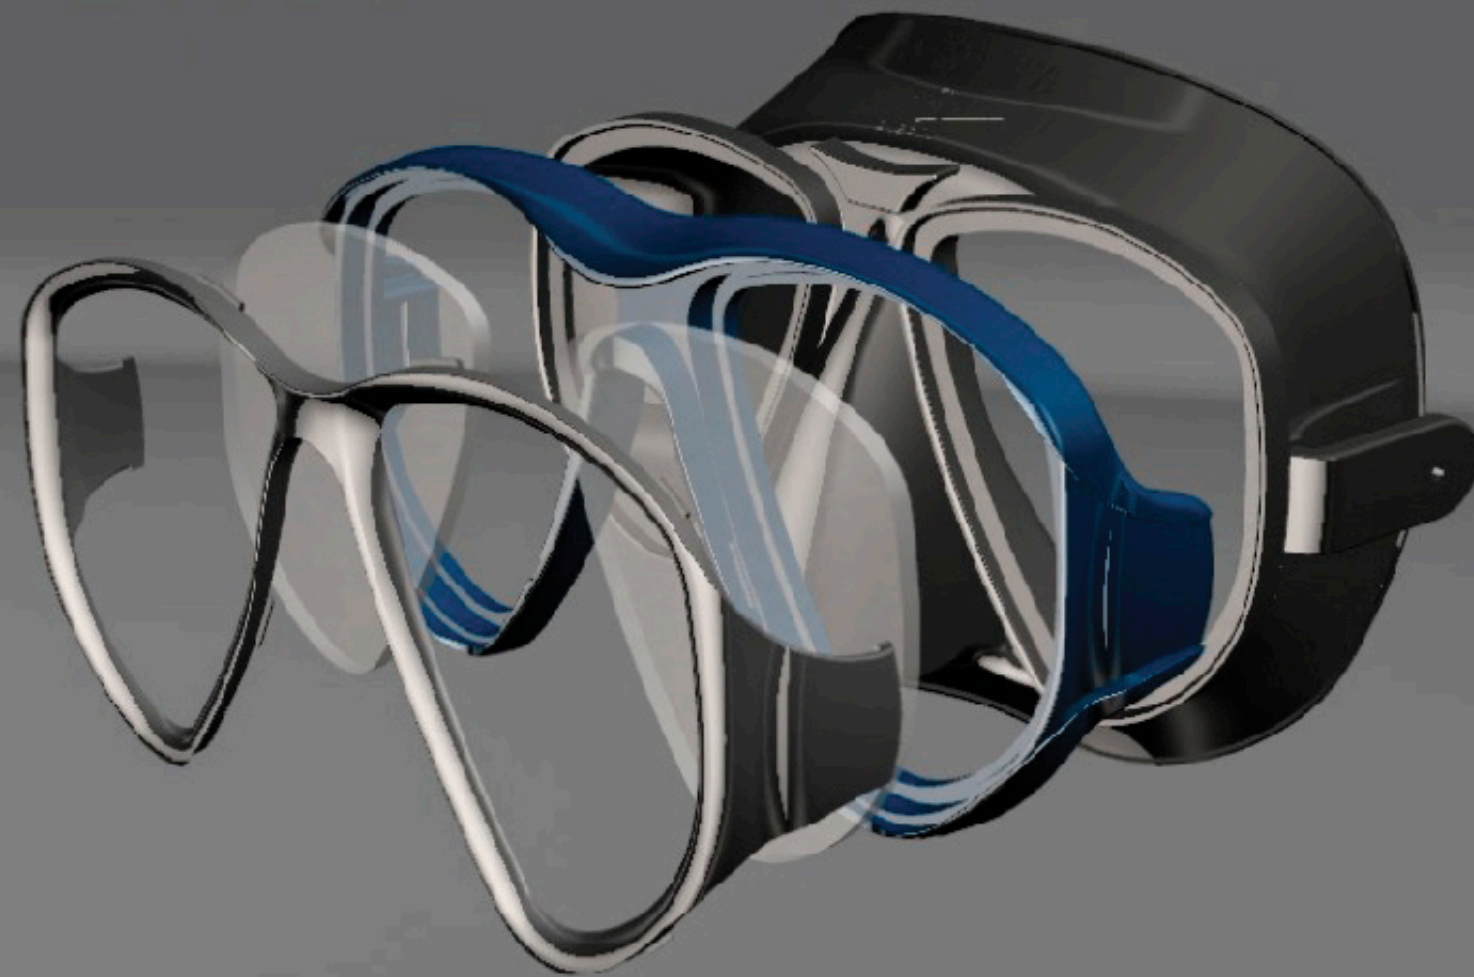

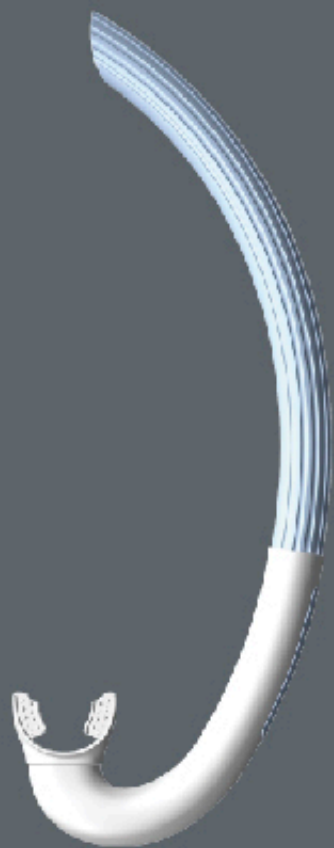

**Tooling**

**Sample Approval  
Product Testing**

**Mass  
Production**

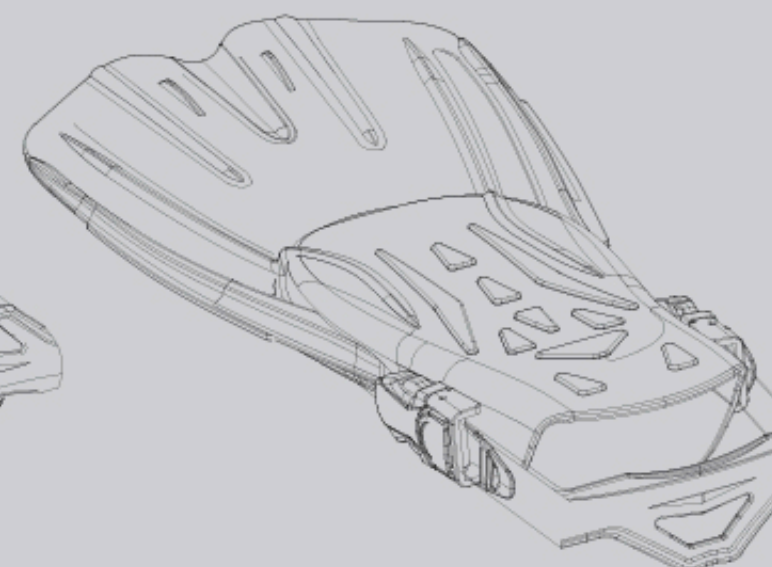

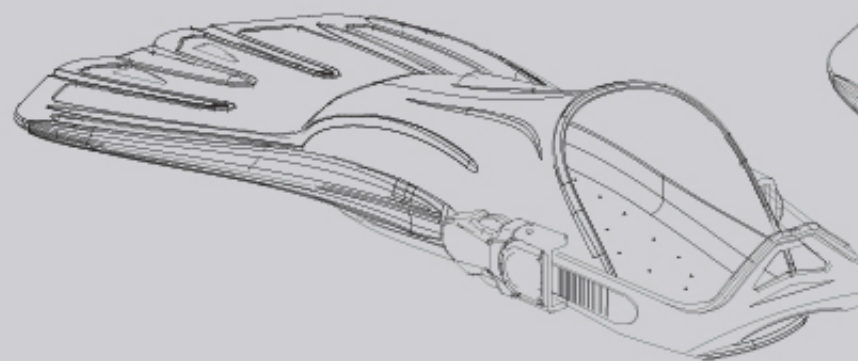

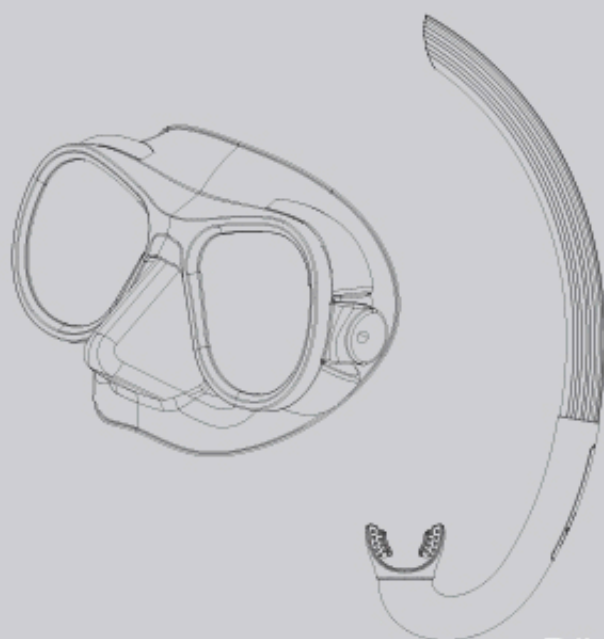

**After-Sales**

## Appearance Design

Structural Decomposition

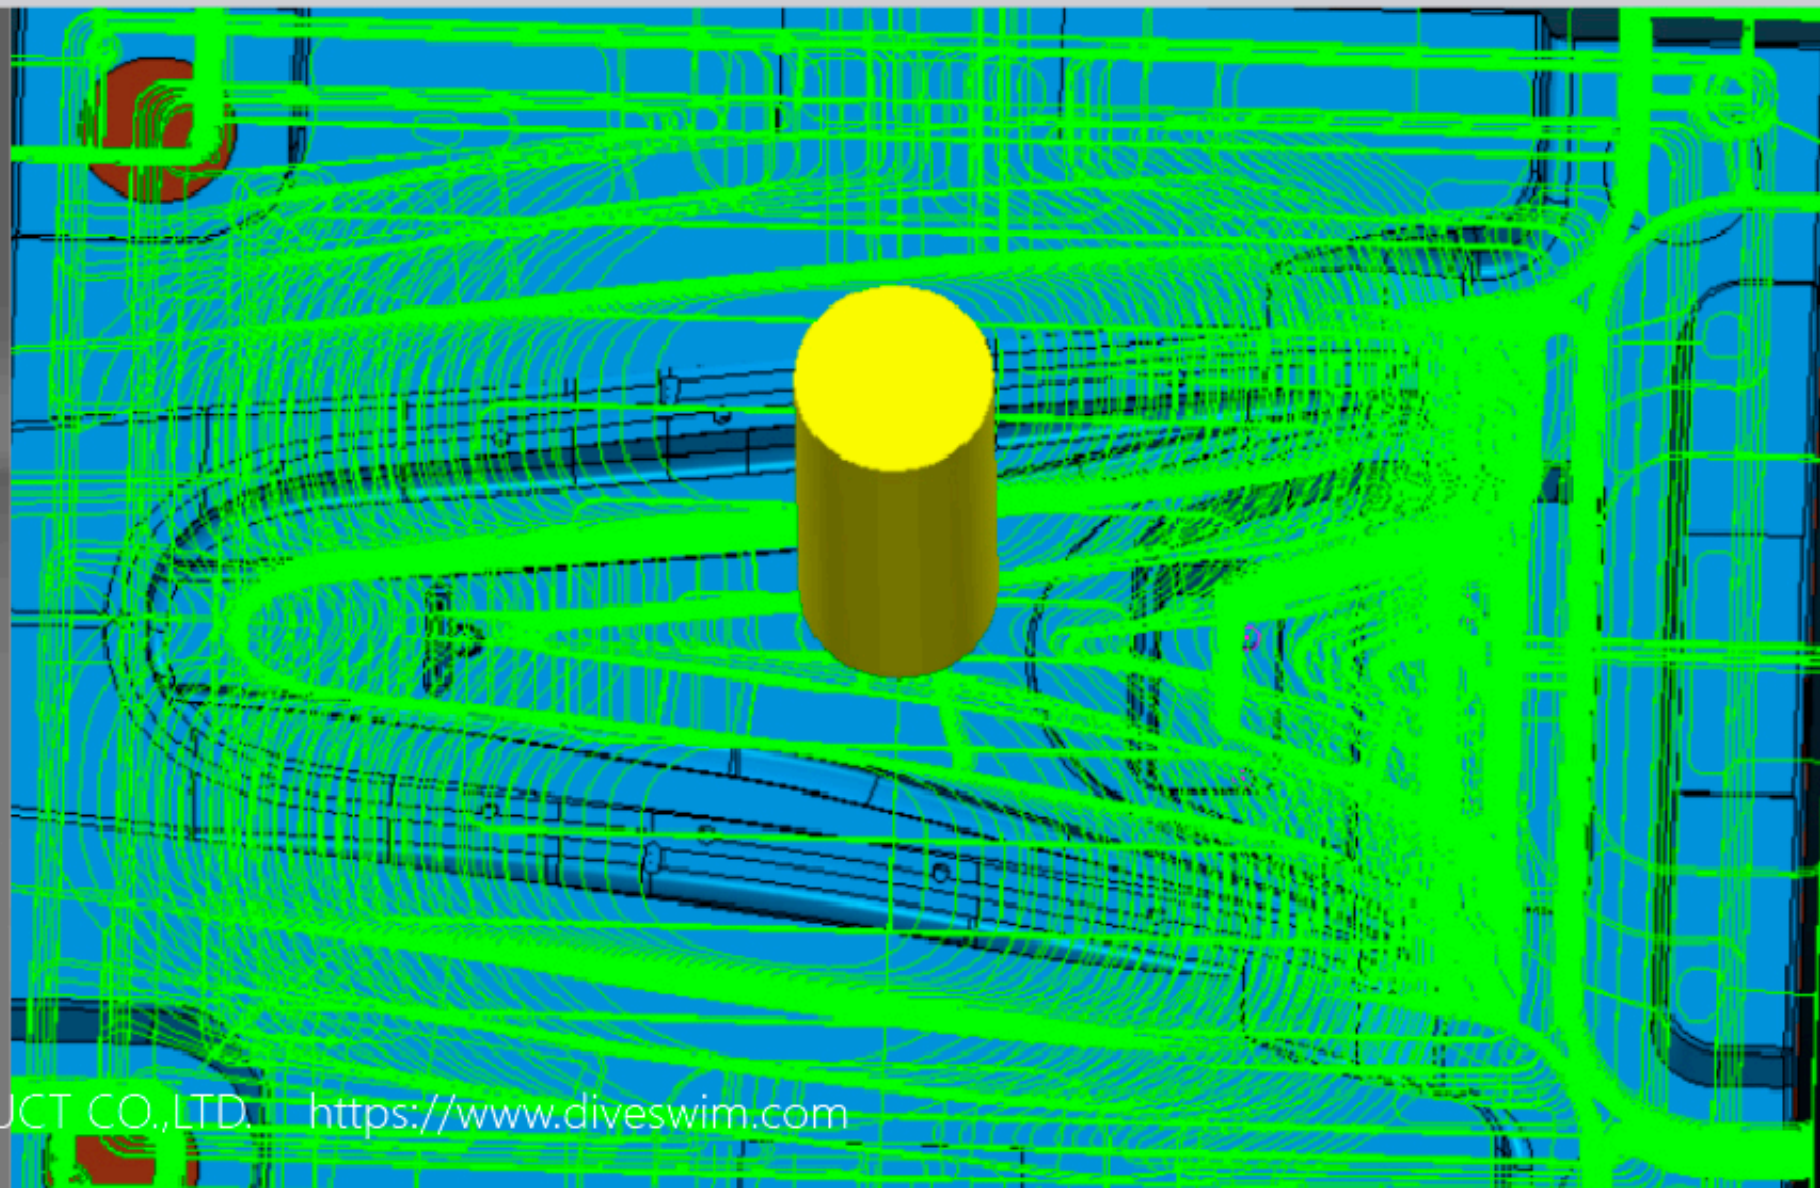

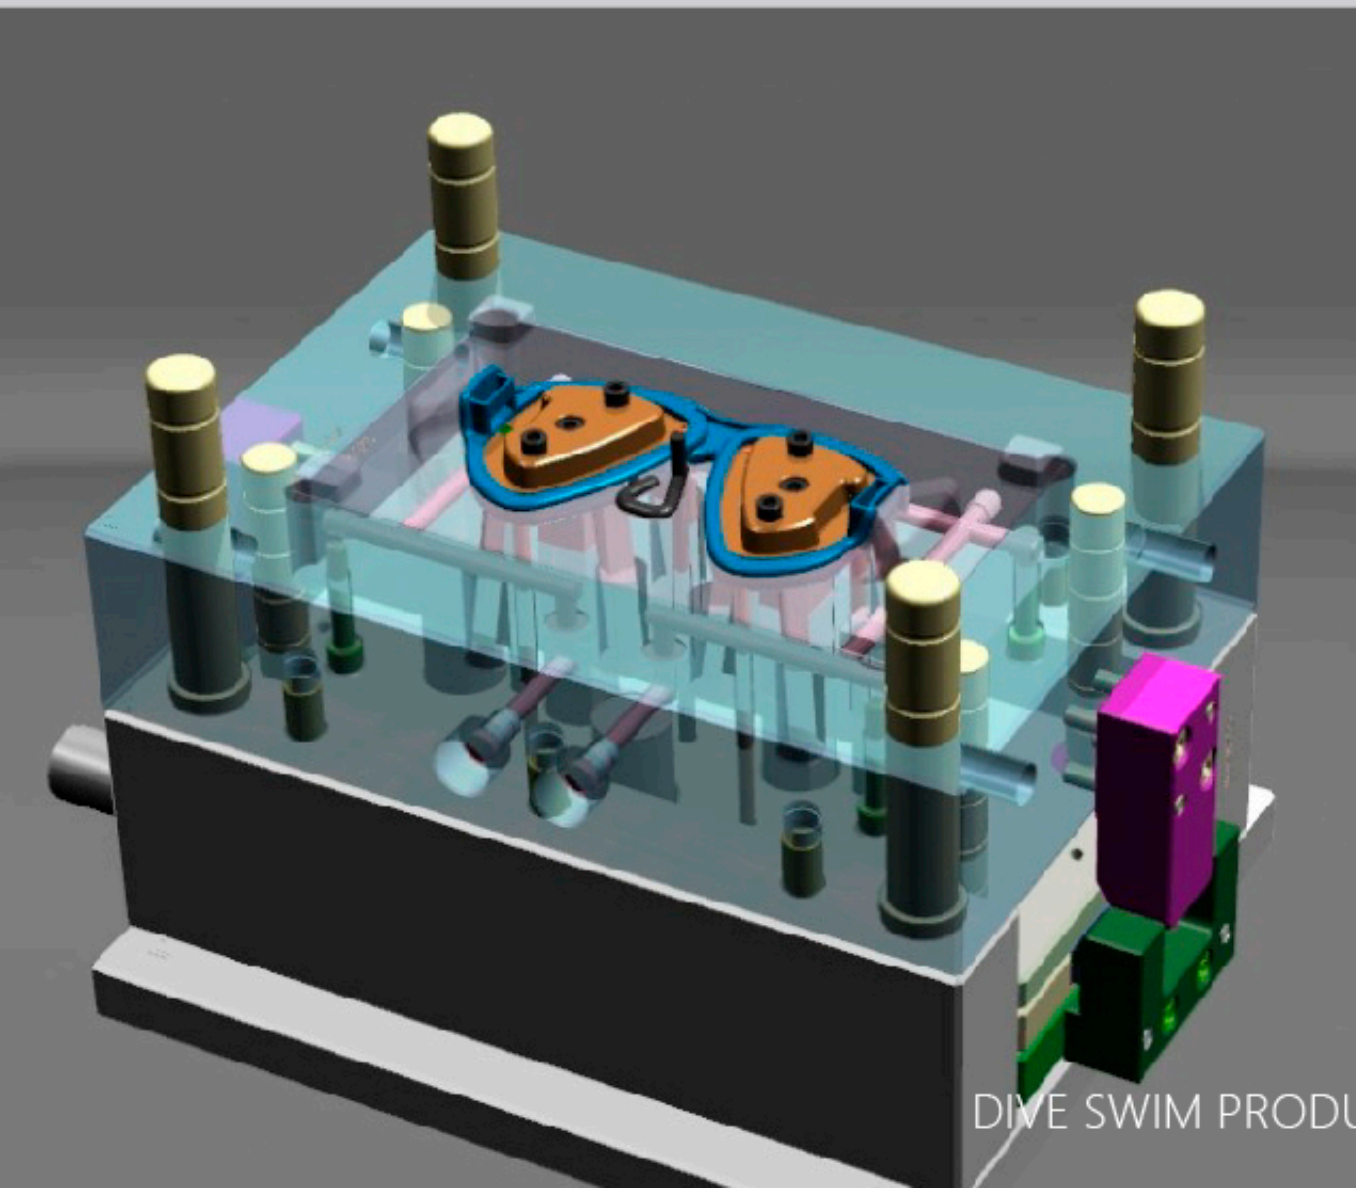

## Mold Design for Plastic

Silicone Injection Molding

## Simulation & Analysis

Structural Mechanics and More

**Our Advantage: The synergistic innovation between our dedicated Product R&D and Mold R&D departments**

# A next-generation modern production Base

DIVE SWIM PRODUCT CO.,LTD. <https://www.diveswim.com>

# A robust manufacturing ecosystem

Equipped with a 3D printing prototyping lab and a CNC precision machining center.

## A Complete Production Department

**Mold**

**Injection**

**LSR**

**Silicone**

**Printing**

**Assembly**

**Warehouse**

.....

## 15,000m<sup>2</sup> modern production base

Our Production Capacity is Equipped With

- 6+ CNC Machines, 5+ EDM Machines
- 30 Robotic Injection Molding Machines
- 10 LSR Injection Machines
- 10 Solid Silicone Compression Presses
- 5 Assembly Lines
- 2,000 m<sup>2</sup> Warehouse Space

**Certified by ISO 9001, CE, RoHS**

# Core Products & Services (OEM/ODM)

- **Diving (Snorkeling / Freediving / Scuba)**: Full-face masks, dive masks, snorkels, fins, and accessories.
- **Swimming (Recreational / Competitive)**: Swim goggles, swim caps, hand fins, swim fins, and accessories.
- **Global Reach**: Our products and services extend across Europe, America, Asia, the Middle East, and beyond.

Snorkeling

Freediving

Scuba Diving

Spearfishing

Swimming

Wetsuits & Boots

## 20+ Core Technology Patents

**We hold a wide range of domestic and international patents, including:**

- Anti-fog diving mask patent
- Diving mask with rapid automatic pressure balance adjustment patent And more...
- Awards & Memberships:
  - 2025 Global Diving Industry Benchmark Award (Innovation Excellence)
  - Member of Guangdong Diving Sports Association

# Honorary certificate

## Our partnership philosophy: Shared mission & Collective success

DIVE SWIM PRODUCT CO., LTD., is always committed to a “digital-intelligent” strategy, persistently driving development through innovation. By achieving technological breakthroughs, we inspire and guide customer demand, create value for our clients, balance opportunities and risks alongside them, respond rapidly to their needs, and promise to deliver high-quality products, services, and solutions to every customer.

**With our core values of people and integrity as cornerstones, we seek to walk hand-in-hand with global partners, collectively building a future of shared success.**

# FM101 Full Face Diving Mask

Utility-model patented: Anti-CO2 Buildup Full Face Mask

Patented system prevents CO2 buildup and asphyxiation risk, ensuring safe, effortless breathing.

- FDA-graded liquid silicone Mask Skirt & Head Strap
- Optical PC Lens: Shatterproof, UV-Resistant, Anti-Fog
- 180° Wide Field of View
- Sizes: SM / LXL
- Colors: Black / Pink / Blue (Custom colors available)

# Mosam-S1 Snorkel

Utility-model patented: Diving Snorkel with Positive Buoyancy

Built-in Positive Buoyancy (Prevents Loss)  
High-Airflow Design for Effortless Breathing

- Ergonomic Design: Lightweight & Comfortable
- FDA-graded liquid silicone for Maximum Safety
- Unique Streamlined Design, Simple yet Elegant

## AF301 Snorkeling Fins

Utility-model patented: Snorkeling Fins

Material Composition:

- TPR Foot Pocket
- PP Blade
- POM Quick-Release Buckle

Sizes: S/M, L/XL

Colors: Black-Blue / Gray-Black / Black / Black-Pink /  
Black-Green / Blue / Blue-Yellow / Pink-Purple  
(Custom colors available)

Stella

## Patented Model: Freediving Fin Foot Pocket

- No pinching or top-of-foot pressure
- Exclusive patented structure for precise power transfer
- Strong compatibility, easy installation
- 3D foot-hugging fit: Secure, comfortable, and durable

## Sizing Guide:

Sizing tip: Choose your normal shoe size, then adjust for neoprene sock thickness (e.g., add one size when wearing 5 mm socks).

Example: If you normally wear EU 37.5, choose size 37-38. Pairing with 5mm neoprene socks will enhance the fit and comfort.

**How to Measure Your Barefoot:**  
Length: Measure the distance between your longest toe and your heel (as shown between the two solid red lines in the diagram).

Width: Measure the distance across the widest part of your foot.

Height Measurement: Measure the vertical distance from the sole of the foot to the highest point on the instep.

Stella (free diving fins) foot cover size and weight					
EU Size	US Size	Barefoot Length (mm)	Foot Width	Instep Height	Foot Pocket Weight (per pair)
35-36	5-5.5	216-226	88	65	680g
37-38	6-6.5	235-245	90	70	740g
39-40	7-7.5	243-253	98	73	840g
41-42	8-8.5	256-266	104	74	900g
43-44	9-9.5	260-270	108	75	940g
